

# **Sprint Three Report - Slug Notes - Power Rangers**

## **November 25, 2015**

### **Actions to stop doing:**

- Nothing, we finished :)

### **Actions to start doing:**

- We should start bringing snacks to SCRUM meetings.
- We should start preparing for our presentation.

### **Actions to keep doing:**

- We should keep helping each other when we are stuck on certain tasks.
- We should keep on touching base by using the google chat app.
- We should keep having precise burnup chart so we can ensure that everyone is on track for the sprint.

### **Work completed/not completed:**

#### **Completed user stories:**

- I as a user would like to be able to study a deck of flashcards in order to study for a class
- I as a user would like to be able to search for users profiles and shared decks by name in order to find study material associated with a class I'm in.
- I as a user would like to be able to copy someone else's public notes so I can modify them and study them myself.

#### **Uncompleted user stories:**

None :)
