

Sprint Two Report - Slug Stock - Team Slug Stock

February 15, 2016

Actions to stop doing:

- Nothing in particular

Actions to start doing:

- Nothing in particular

Actions to keep doing:

- We should keep helping each other when we are stuck on certain tasks.
- We should keep on touching base by using the google chat app.

Work completed/not completed:

Completed user stories:

- I as a user want to get emergency email notifications when a stock hits a specified price.
- I as a user want to get daily email updates.
- I as a user want to see history of the stock in a simple chart day, week, month, year, all.

Uncompleted user stories:

- None

Work completion rate:

Data Used to Compute Rates:

3 User Stories/Sprint

17.5 Ideal Work Hours/Sprint

17 Days/Sprint

Rates for This Sprint:

User Stories/Day = $3/17 = .1765$

$$\text{Ideal Work Hours/Day} = 24/17 = 1.0294$$

Average Rates: (since this is the first sprint, the average rates are the same as the calculated rates)

$$\text{User Stories/Day} = .2059$$

$$\text{Ideal Work Hours/Day} = 1.2206$$
